Subject: Request to revive the agent of record status of the above-identified
application

Dear Mr. Cross:

20

25 According to the "Decision on petition to withdraw as attorney" (Attachment 1)
received on December 13, 2004, it is to my surprise that my representation as the
agent of record is canceled with Michael Lewis's representation. Michael Lewis
submitted the request to withdraw his representation on 7/18/2003 (see Attachment 2)
but my representation should not be affected. Please revive my status as the principle
agent of record of the above-identified application and associate this application to my
customer number 27765 so that I can keep on monitoring the status of this application
from the PAIR system.

30 Your timely help will be greatly appreciated.

Respectfully submitted,

5 Winston Hsu

Subject: Request for withdrawal as agent

Dear Sir or Madame:

I hereby apply to withdraw as agent for the above identified patent/patent application. The reason for this request is that I am leaving my current office of employment to attend law school.

Although I am requesting to withdraw from the above patent/patent application, Winston Hsu, agent registration No. 41,526, will continue to serve as the primary agent of record for this case. This request for withdraw *does not affect* the status of Mr. Hsu as the principle agent of record for the above-identified case. Consequently, the correspondence address is NOT affected by this withdrawal. Furthermore, as Mr. Hsu will continue acting as the agent of record, my withdrawing from this case will not affect the client's ability to obtain timely representation. Mr. Hsu, as my employer, has agreed to my withdrawal and will continue handling all aspects of this case. I therefore believe in good faith that the USPTO should find this request for withdrawal acceptable.

Sincerely yours,

Date: 7/18/2003
